

# Ice Cream Push Cart Rental 2017

**Free 1 day Use of Ice Cream Cart** for parties, when you purchase a daily minimum of \$225 of Novelty Ice Cream Bars, Sandwiches or Frozen Treats from Chilly Billy's.

## Ice Cream Cart Event Procedures & Policy

Ice cream cart is available for event rentals, and requires 2 weeks minimum advance notice to reserve cart. We appreciate customers filling out orders in advance and paying for ice cream the day of the event. (Cash, Company Check or Credit Cards ONLY.) We can deliver and pick up cart or customer may arrange for cart pickup on event day - and return the same or next day. **Full size Van, trailer, or open pickup truck required.** Customer needs to bring ramps & straps to secure the cart in their vehicle. Cart is very heavy. It is always best if we deliver & pick-up cart. We only have 1 Push Cart available so reserve yours well in advance of your event date.

Standard features of our Ice Cream Cart Event program:

- **FREE** Ice Cream Cart rental when you purchase a minimum of \$225.00 worth of ice creams. Carts hold up to 15 or more boxes of ice cream bars and our event coordinator can assist you in most popular selections. Cart serves several hundred people depending on size of ice creams selected.
- Security & Damage Deposit for reserving cart is \$200.00 and is paid in advance. We hold the check or reserve deposit on credit card until you return the cart undamaged.
- Select your Novelty Ice Creams 1 week before the day of event. You are responsible for returning the cart after each event day.
- All ice cream is billed at prices shown on pricelist minus any applicable discounts, and paid for at time of pickup. Total event pricing can be emailed to you prior to event day or you may print out price list with your choices and fax it back to us.
- Dry Ice is not needed for our cart – it has holdover plates that can keep the ice cream frozen for up to 4-6 hours without plugging it in. Whenever possible you can plug it in.
- We do not rent empty carts and customer must buy all products from Chilly Billy's.

Cart comes with an attractive Perry's Umbrella and easy roll caster wheels. A small or large, open bed pickup truck or trailer with ramps is recommended for customers transporting carts. A full sized Van also has enough floor to roof height clearance as the cart's wheels cannot be removed. It is better for us to Drop-off cart and then Pick-up cart at a later time. Delivery/Pick-up charge starting at \$50.00, depending on distance from Tonawanda, NY.

**\*\*\* Please do not use duct tape on cart surface or graphics.**

Ice cream signs, if requested, are included with each rental. Customer is not charged a daily cart rental fee if they purchase a minimum of \$225.00 of ice cream. Allow at least 2 weeks advanced notice. Cart returns are to be done before 10PM on event day, or by 2:00 PM next day. No refunds are given for excess ice cream not handed out, due to health code restrictions. **Customer is responsible for any and all damages to cart and umbrella while being rented.** Customers who pre-pay event (\$200.00) deposit may call in their order prior to day of event. All orders are to be paid at time of pickup unless prior approval has been granted by Chilly Billy's Ice Cream management. **We accept credit cards, Cash or personal or company checks only. 716-578-8449.**
